**Re: Notice of Intent to Award**  
**Garage D**

---

Bids for the construction of Garage D were opened and read out loud in the Authority's Board Room on April 30, 2019 at 2:00 pm. All four of the pre-qualified General Contractors submitted bids and the results are provided below:

- |                               |              |
|-------------------------------|--------------|
| 1. Hourigan Construction      | \$59,895,000 |
| 2. S. B. Ballard Construction | \$60,105,508 |
| 3. W. M. Jordan Company       | \$63,277,277 |
| 4. Archer Wester Construction | \$66,143,000 |

Documentation received with Hourigan Construction's apparent low bid was found to be complete and acceptable.

Norfolk Airport Authority intends to award the referenced contract to Hourigan Construction.

Any comments on this Notice of Intent to Award should be sent by June 15, 2019 to:

Anthony E. Rondeau, P.E., C.M.  
Deputy Executive Director – Engineering and Facilities  
Norfolk Airport Authority
