NORFOLK INTERNATIONAL AIRPORT RENTAL CAR RETURN FACILITY RELOCATES TO GARAGE A

Effective November 14, 2018, rental car returns will relocate to Garage A at Norfolk International Airport.

With this relocation, patrons returning rental cars will be protected from weather conditions and have an easy transition to the Arrivals Terminal, Departures Terminal and airline concourses. All functions of the rental car process: reservations, car pickup and return, will be centrally located in Garage A and the adjacent Arrivals Terminal.
