

Request for Proposals – Commercial Banking and Credit Card Services

Amendment #1

July 26, 2024

To prospective proposers for the Commercial Banking and Credit Card Services RFP:

Section **A.6.4 Residence** reads “Completed applicable proposer residence form.” This requirement is not applicable to this RFP and the form is not required to be sent to the Authority by proposers.

Section **A.6.8 (2) Pricing & Account Analysis** shows three service groups in the table for fee and rebate guarantees. The Authority corrects this to reflect the two service groups labeled in A.5- “General Banking” and “Purchasing Cards”.
